

## **Internship and Residency Program Application**

### *General Instructions*

Thank you for your interest in an internship or residency at Church on Mill. Our church campus is located across the street from Arizona State University, providing rich opportunity for a variety of ministries. We exist to glorify God through lives changed by the gospel of Jesus Christ and desire to be used by God to give future Kingdom leaders early, positive experience in local church ministry.

Church on Mill wants to consider applications from those who show a passion and love for Jesus Christ and his church; possess, by God's grace, a character of integrity; have the desire and potential to be an evangelical leader; and, if selected for the internship or residency, affirm Church on Mill's church constitution and membership doctrinal statement (interns and residents) and leadership doctrinal statement (residents only). Interns and residents will be asked to become members of Church on Mill during their time of serving the body through this program.

We currently offer both internship and residency positions.

#### 1) Ministry Intern

- short-term volunteer position (summer, semester, up to one year)
- 15-hour per week position
- This role provides entry-level experience working in a particular ministry area for personal growth, exploration of a call to vocational ministry, and ministry provision.
- Applicants to this position should willingly affirm Church on Mill's church constitution and membership doctrinal statement.

#### 2) Pastoral Resident

- one year commitment
- 20-hour to full-time position
- This role is specifically for people headed towards vocational ministry (directors, pastors, missionaries, etc.)
- As compensation we offer free on-campus housing, utilities, and study materials.
- Applicants to this position should willingly affirm Church on Mill's church constitution and leadership doctrinal statement.

By offering an internship and residency program, we hope to encourage and influence future pastors and missionaries in their role in evangelical churches and organizations. Priority is given to leaders preparing for local church ministry. Under supervision, interns and residents will gain experience in various areas of the church, such as teaching, music, pastoral leadership, church polity, urban ministry, missions, and college/international ministry.
